

CATERING (50 people and up):

We will bring out the tables (with the table covering) for the food and drinks to be placed on and you will need to supply the tables and chairs for your guests. We will setup the food buffet-style. We will provide everything needed to serve and to eat. The plates are the heavy Solo red plates and the white Lancaster's BBQ cups. We will provide a one hour serving time, then we will break everything down and clean up. We will also provide the trash cans so that we can leave the area we used clean, just like it was when we arrived. We display the food in metal dishes with the use the sternos if needed. If you have any food remaining at the end you may request them to leave it and they will put it in boxes for you. Our two packages people choose from is the Basic or Combo. The Basic is where you get BBQ pork as the meat and the Combo you would get half the amount of BBQ Pork and a piece of Fried Chicken per person. With both you get a choice of two sides: Baked Beans, Potato Salad, Brunswick stew, Macaroni and Cheese, Green Beans, Collard Greens, Mashed Potatoes & Gravy or Slaw. You get a choice of bread: Hushpuppies or Buns. You get Banana Pudding along with Sweet Tea, Un-sweet Tea and Lemonade. This is priced on a per person basis. The Basic package is \$14.50 per person and the Combo is \$15.50 per person. 18% Gratuity is added to the invoice. If you have a different idea of what items you would like to have on your menu, give us a call and we can see what we can do to make it possible.

DELIVERY: (25 people and up, packaged deal)

We will bring the food in aluminum pans and we will set it up buffet-style and leave and you to do the rest. When you are done you just throw your pans away. It includes all paper products, plates, cups, napkins, eating and serving utensils and ice. With this option you can choose from the packages above (the Basic or Combo). The price is also on a per person basis. The Basic package is \$12.99 and the Combo option is \$13.99 per person. There is also a 10% gratuity added to the final bill. Tax will be included.

DELIVERY: (Min. \$250.00 order, ordering off the carry-out menu)

. When ordering off the menu, it does not include any the extras as above its food only. When you order in bulk it still will come in alum pans for you, so you can serve right out of the pans. For example a 1 lb. of BBQ pork feeds approx. 3 adults at \$10.99 per lb. Side items are \$3.99 per pint (slaw, baked beans, pot. Salad, Mac-n-Cheese, green beans, collard greens) one pint feeds approximately 3-4 people. Dozen of hushpuppies are \$2.99 per dozen. You can also order Family Packs which is one lb. of bbq pork, 1 pint of baked beans, 1 pint of slaw, and a dozen hushpuppies. One family pack feeds approx 3 adults, and is \$16.99 per pack. Another great idea is the lb. of tenders which are \$9.99 per lb. which is served with celery and dressing. Also, another great hit is the chicken wings. These items are always great to order in bulk. There is a delivery fee added to this option if you would like it delivered, it depends on locations it ranges from \$25.00 and up. You can always pick this up with no extra charge.
